

the Jackson postmaster, and Mr. J. T. Bouton, one of the state prison contractors.

We remained at the Hibbard House until Friday noon, when we left for Detroit.

Arrived here at two o'clock, p. m., and passed the remainder of the day in viewing a city where in 1853 we were well acquainted. It was a matter of astonishment to us, to see so little change—the city, in almost every respect, is the same that it was four years ago. A few buildings have been erected, yet but very few. We took supper at the Biddle House, where we again met Mr. Henderson, of the *Allegan Journal*. The "Biddle" has long had the reputation of being the best hotel in the city.

(CONCLUSION NEXT WEEK.)

## THE GRAND RIVER TIMES, Oct. 21.

### LOCAL AND MISCELLANEOUS.

**AGENTS.**—The following named gentlemen will act as our agents for receiving subscriptions and advertisements for the *Times*. Their receipts will be considered as valid.

JAMES SAWYER, general agent for Ottawa Co.  
JOHN BARNARD, Robinson.  
A. X. CARY, Grand Rapids.

**THE STEAMERS** *Oliver Branch* and *Michigan* leave this place at about 12, m., as follows:

Michigan, going east,	going west,
Mondays,	Tuesdays,
Wednesdays,	Thursdays,
Fridays,	Saturdays,

*Oliver Branch*, going east, going west,  
Tuesdays, Mondays,  
Thursdays, Wednesdays,  
Saturdays, Fridays.

**READING MATTER** on every page of the *Times*.

**SINGLE COPIES** of this week's *Times*, containing Mr. THOMAS' address, neatly done up in wrappers, for sale at this office. Price, five cents.

**Snow.**—"It snows, cries the schoolboy, hurrah," On Monday afternoon last, Oct. 19th, the first snow of the season, in this place, descended from wintry-looking clouds. It fell quite fast for a short time, but vanished on reaching the ground.

In the evening, at ten o'clock, the ground was covered with snow half an inch in depth. The "Square of Pegasus" stood forth brightly defined in the zenith; while ORION, that glorious constellation of mid winter, rose in magnificence in the east, with a cold, calm smile, speaking of the rapidly approaching winter, the sweet sleep of Nature.

**WOOD.**—Those of our subscribers who wish to pay their subscriptions in wood, will please bring it along soon.

**RUM AT WORK.**—Another Murder in Muskegon. —We learn by the *Ottawa Clarion* that William Crozier was killed by two "moderate drinkers," on Monday, Oct. 12. He was shot with a gun. John Powers and Wm. Young were the murderers. —They were taken to Grand Haven on Wednesday, and were tried last week, found guilty, and both sentenced to the Jackson state prison for life.

There are now about 450 convicts in the state prison, which is crowded to almost its entire capacity, but rum will crowd it still fuller.

**OUR JOURNEY.**—On Saturday last, we returned from a journey of 11 days; (830 miles); its eastern terminus being in Detroit, Mich., and its western in Peru, Ills. We publish, this week, a continuation of our adventures, and shall give the conclusion in our next issue.

**PERU, ILLS.**—We had the pleasure, last week, of visiting our friend, C. M. KIRKLAND, of the *Peru Commercial*. A right sociable time we enjoyed together. He has a large office, and is doing a good, paying business. We were sorry to see that he is engaged in a controversy of a somewhat personal and difficult nature with some of the city officers, but in every other respect we wish him success.

**SEE FOURTH PAGE** for an interesting communication from "MARCO."

**THE CRISIS.**—So large a number of banks have lately failed, that we have concluded not to publish the list any longer. We may hereafter notice the suspension of large institutions, but shall decline to notice the downfall of "small fry." We would advise our readers to refuse eastern money; the safe course is to take only bills on the banks of Michigan, Wisconsin and Illinois. These are well secured by pledge of public stocks, and in these trying times, should be supported by the people of the west.

We will receive, at par, bills on any of these banks, including even those of Macomb county, Tecumseh, Elgin, and Fox River. We believe they will be good at some future day.

**OTTAWA REGISTER.**—The proceedings of the Ottawa Co. Ag'l Soc. are to be published in full from commencement.

**NOTICES OF BOOKS, MAGAZINES, &c.**

HARPER'S MAGAZINE improves steadily with each number. There are but few works in the world that will compare with it, either in quantity or quality of reading and illustrations.

FRANK LESLIE'S *New Family Magazine* for Oct. is received. This is the second number of a new publication, in which is incorporated the *Gazette of Fashion*. "Glimpses of Chinese Inner Life" is an article that cannot fail to interest the reader. The magazine excels in reading and illustrations of a historic interest.

THE *INVALID'S GUIDE, & Consumptive's Manual*, by Calvin M. Fitch, A. M., M. D., Chicago, Ills. This is a work of 191 pages, which must be of the greatest use to invalids and others, who wish to learn of the laws of life and health. The work may be seen at our office.

**VIOLA;** No. 35 of *Harper's Story Books*, is well illustrated, and is an unexceptionable periodical for the perusal of children. 25 cts—\$3 a year.

**GODEY'S LADY'S BOOK** for Nov. is on our table. This magazine has commenced a new series, and the publisher promises that what has been good in the past, shall be better in the future. Address L. A. Godey, Philadelphia.

**PETERSON'S MAGAZINE** for Nov. is received in advance of the other monthlies. The engraving, "Harvest Home," is a representation of a scene that fills the heart of the beholder with joy. True to nature, a picture of happy life. Price of the magazine, \$2 a year.

**HIGGINS, BROTHERS**, 66 Randolph st., Chicago, have presented us with five pieces of music—the "Holiday Schottische," the "Spring Polka," and the songs, "Oh! Come to the Farmer's Cottage with me," "Going Up and Coming Down," and "John Brown." The last named song is excellent: "I've a guinea I can spend, And I've a friend, And a cottage of little children at my knee; I've a cottage of my own, With the ivy overgrown, And a garden looking out upon the sea."

**ATLANTIC MONTHLY.**—We would call the attention of our readers to the advertisement of Messrs. Phillips, Sampson, & Co's *Atlantic Monthly*. In our younger days, when learning our trade in Boston, we occasionally purchased books of this firm; and can say that if they succeed as well in the magazine as they have in the book line, the "Atlantic" will be unsurpassed. We lately received a letter from the firm, asking us to name the best newspapers published in our state. We would refer them to our entire list of exchanges, as good papers; and at this time mention as papers (in our state) of more than ordinary value: the *Grand Haven Clarion*, the *Romeo Argus*, the *Tecumseh Herald*, the *Coldwater Sentinel*, the *Lansing Journal*.

**MARRIED:**

On the 8th inst., by the Rev. O. Hall, of Lamont, Mr. T. F. EASTON and Miss M. A. DUNPHY, both of Polkton Center.

Robes of spotless white, Smiles and glances bright, All things fair and light; A blessing and a prayer, And then the happy pair Forever wedded are.

Constant, true in love May this union prove; Blessings from above Upon their home descend, And hope and peace attend Life's journey to its end. M.

**DIED:**

In Eastmanville, at two o'clock A. M. of the 20th inst., JAMES B., only child of Wm. N. and A. M. ANGEL, aged nine months.

In Mill Point, on Saturday, the 3d inst., Mrs. ALVINA, wife of GEORGE G. LOVELL.

## PHILLIPS, SAMPSON AND COMPANY

Will commence the issue, on the first of November, of a new Magazine, to be called THE ATLANTIC MONTHLY.

It will be devoted to Literature, Art, and Politics. The aim of the Periodical will be, First: In Literature, to leave no province unrepresented, so that while each number will contain articles of an abstract and permanent value, it will also be found that the healthy appetite of the mind for entertainment in its various forms of Narrative, Wit, and Humor, will not go unheeded. They wish to say, also, that while native writers will receive the most encouragement, and will be mainly relied on to fill the pages of the ATLANTIC, the publishers will not hesitate to draw from the foreign sources at the command, as occasion may require, relying rather on the competency of an author to treat a particular subject, than on any other claim whatever. In this way they hope to make their Periodical welcome where ever the English tongue is spoken or read.

Second: In the term Art, they intend to include the whole domain of aesthetics, and hope gradually to make this critical department a true and fearless representative of Art, in all its various branches, without any regard to prejudices, whether personal or national, or to private considerations of what kind soever.

Third: In Politics, the ATLANTIC will be the organ of no party or clique, but will honestly endeavor to be the exponent of what its conductors believe to be the American Idea. It will deal frankly with persons and with parties, endeavoring always to keep in view the moral element which transcends all persons and parties, and which alone makes the basis of a true and lasting national prosperity. It will not rank itself with any sect or outfit, but with that body of men which is in favor of Freedom, National Progress and Honor, whether public or private.

TERMS.—Three dollars a year, or twenty-five cents a number, and may be obtained of Booksellers, Periodical Agents, or of the Publishers.

**STATE OF MICHIGAN.** The Circuit Court for the County of Ottawa, in Chancery.

At a session of the Circuit Court for the County of Ottawa, held at Grand Haven, on the fifteenth day of October, in the year one thousand eight hundred and fifty-seven:

Present, Hon. George Martin, Circuit Judge.  
Theodore P. Sheldon, Complainant,  
Oswald D. van der Stulp,  
Johanna M. van der Stulp,  
George Torrey, Joseph Torrey,  
Charles Torrey, and Mary E. Torrey, Defendants.

It is satisfactorily appearing to this court that the defendants, Joseph Torrey, Charles Torrey, and Mary E. Torrey are non-residents of this State, on motion of Joseph Miller, jr., solicitor for said complainant, it is ordered that said defendants, Joseph Torrey, Charles Torrey, and Mary E. Torrey, cause their appearance to be entered in this cause within three months from the date of this order, and that in case of their appearance, they cause their answer to the complainant's bill to be filed, and a copy thereof to be served on the said solicitor for the complainant within twenty days after service upon them of a copy of said bill and notice of this order;—and in default thereof, that the said bill of complaint be taken as confessed by the said Joseph Torrey, Charles Torrey, and Mary E. Torrey.

And it is further ordered, that within twenty days, the said complainant cause this order to be published in the *Grand River Times*, a newspaper printed and published in the said County of Ottawa, at least once in each week for six weeks in succession—or that said complainant cause a copy of this order to be personally served on said Joseph Torrey, Charles Torrey, and Mary E. Torrey, at least twenty days before the expiration of the time above limited for their appearance.

I certify that the above is a true copy of the original. JAMES P. SCOTT, Register.  
Grand Haven, Oct. 15th, 1857. [31w6

**Important to Everybody.**

For the last three years, I have been engaged in a business known only to myself, and, comparatively few others, whom I have instructed for the sum of \$2,000 each, which has averaged me at the rate of \$2,000 to \$3,000 per annum; and having made arrangements to go to Europe in the Spring of 1858, to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada, who will remit me the sum of \$1. I am induced, from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from \$5 to \$10 PER DAY at it, give to any person an opportunity to engage in this business, which is easy, pleasant and very profitable, at a small cost. There is positively NO HUMBUG in this matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of N. York State, Pennsylvania and Maryland, whom I have instructed, are now making from \$3 to \$6 per day at it. It is a GENUINE BUSINESS, and but a few shillings is required to start it. Upon receipt of \$1, I will immediately send to the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.
